The President in his letter of 31st March 1921, has also intimated that a suitable building for locating the dispensary is available at the place on a monthly rent of Rs.6/- per mensem and that the taluk Board and the Village Panchayet have agreed to bear the same equally.

Anent the opening of a Local Fund dispensary at Nonavinkere.

Letter No.L.F.C.C.657/19-20 dated 8th September 1920, from the President, District Board, Tumkur, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to state that on representation being made of the necessity of opening a Local Fund Dispensary at Nonavinkere in the Tiptur Taluk, the matter was referred to the Taluk Board for opinion with regard to the funds required for the construction of buildings, equipment and up-keep of the same. The Taluk Board and the Village Panchayet have resolved that a building costing only Rs.6000/- is enough as Nonavinakere is an out of the way place and have agreed to bear one-half of it. They are also of opinion that the maintenance charges be borne equally by the village Panchayet and Government. The matter was placed before the District Board also. If the Senior Surgeon thinks that a building at a cost of only Rs.6000/- is sufficient for the purpose, arrangements may kindly be made to secure an Hospital for the place.
